# After Your Account Activated

- When you first Log In, please go to member area to renew your password.

The screenshot shows the Wincomm website's Member Area. The main content area contains a registration form titled "Wincomm Partner Zone Registration Guide" with fields for Username (root) and Password (masked with dots). Below the form are buttons for "Login", "Register", and "Forget Password?". A checkbox for "I have read and agree with Wincomm Privacy Policy" is also present. The navigation menu at the bottom includes "About Wincomm", "Solutions", "Core Competence", "Support & Service", and "Partner Zone". The "Partner Zone" menu item is circled in red, and a purple arrow points from a purple box labeled "Change Your Password" to it. A "TOP" button is visible above the footer.

Thank You
